

After reading the Bible story, talk about what a surprise the people in the boat must have got and how happy they were.

Plan making a surprise for someone in the house (or for a pet or much-loved toy).

Surprises could include:

Making someone's favourite cake or pudding.

Drawing a special picture

Tidying someone's room

Cleaning someone's shoes

Talk about how excited the person/pet/toy will be by the surprise.

Maybe think about planning a surprise for your child to thank them for being so kind.
