

Karis Kids

AUGUST PRAYER LETTER from Nick and Julie Winning

KARIS FAMILY LINK TEAM

Please pray.... for Ketrach Turyakira, the Karis project leader in Kampala, who returned to work in July after giving birth to Isaac in February. The Karis team ask for wisdom and guidance as they help the Karis families during a time of scarcity of resources and threatened evictions due to the high cost of living and the drought.

We give thanks... for Solome, Steven and Aloyious, who, with the help of Naomi, have maintained the excellent work of Karis whilst Ketrach was on maternity leave.

... that Steven has completed his training in using Quickbooks accounting programme and is benefitting from using it.

EDUCATION

We give thanks..... for the financial provision for secondary education and vocational training. 18 students who completed vocational training qualifications in 2016 have received their tool kits from Karis Kids and are now able to find employment. Another 24 have been placed in VT / apprenticeship courses this year and 5 continue their University courses.

Please pray.... for Belinda and Bruno as they await the outcome of their applications to study for degrees in Social Sciences and Agricultural and Rural Innovation at Makerere University .

SUMMER ACTIVITY DAY – 30th August *‘The joy of the Lord is my strength’ Nehemiah 10:8*

We give thanks.... for the availability of a suitable venue that is within walking distance for the majority of the children, for the team of youth workers leading the activities and the provision of Bibles and Bible notes to be given out to the 300 children attending.

Please pray for ...the Karis Kids team and the youth workers as they prepare for the 30th August - teacher training takes place on the 26th August- and that the children will have a great day, learn more of God’s love for them as their eternal Father and grow in faith.

AUGUST PRAYER LETTER from Nick and Julie Winning

Nick and I are looking forward to returning to Uganda again later this month. We will be travelling to Uganda on Sunday 20th and will spend two weeks working with the Karis Family Link team in Kampala. We do not have our itinerary to share with you yet, but would really value your prayer support both before and during our stay.

Please pray.....

- for transport and travel arrangements to and from Uganda and safety whilst travelling around Kampala
- that we listen and respond to God's prompting during the week as we meet with the Diocesan team, church leaders, the Karis team and the families
- for wisdom when meeting with the Karis team and church leaders as we discuss and review the work of Karis and the Finishing Well Programme
- fun and fellowship with our wider Karis Kids family at the Summer Activity day on 30th August
- for good health and boundless energy!

Rev. Canon Fred Komunda (Diocesan Secretary), Ketrh Turyakira, Merab Gaamuwa (Diocesan Treasurer), Nick, Julie, Bishop Hannington Mutebe
