

## FEBRUARY PRAYER LETTER

*We really appreciate your commitment to praying for the work of Karis Kids throughout the year. Please use the following as a guide to your prayers this month.*

It is a busy time of year for the Karis team in Kampala. In January, a lot of time has been spent processing school fees and completing applications for those beginning secondary school in February. In addition, this year all the children have had their feet measured for new school shoes.

### **We give thanks ....**

- that all the Karis Families enjoyed a wonderful Christmas Party in December and received gifts of household items.

- for the provision of 250 Bibles and Scripture Union Bible notes that were given out to those in Upper Primary, Secondary, Vocational Training and University at the Christmas Party. We pray that they will be read each day and feed the souls of those who received them.
- for the availability of funds to purchase 256 pairs of new shoes and exercise books for all those attending school.
- for the visit of Revd Canon Brian Wakelin and Dave Smith to St Nicholas, Kalerwe in January and their input in the church conference entitled 'Hope for Kalerwe', celebrating 10 years of youth ministry.

### Please pray for ...

- Ketra, Solome, Steven, Aloysius and each Church Community Mobiliser as they meet with all the families to update the family records.
- Ketra, Solome and Steven as they draft the budget for the year.
- the Career guidance day for the youth as they seek to discern where their skills and talents lie and the direction for the next stage in their education.
- all the children returning to school and College on the **6<sup>th</sup> February**, especially those starting secondary school for the first time.
- the monthly food distribution and the opportunities it provides for the Carers not only to receive vital supplies, but also to fellowship and pray together.

- Becky Edwards and a team of 5 from Holy Trinity Church, Richmond visiting their link church St Peter's, Wandegaye, from the **7<sup>th</sup> -12<sup>th</sup> February**. They will be leading sessions for the adults in the evenings and activities for the children during the day. Pray for their interactions with the Karis families and good health for the team.
- those who are sick or caring for sick relatives and that the Karis team would be protected from illness themselves.
- the preparations for the Summer Camp for the Karis Kids children in August, that God would speak to those whom he would have serve on the UK team and that their ears would be open to hear Him.
