

# The Winchester City Centre Chaplaincy

Winchester City Centre Chaplaincy works in partnership with businesses and organisations in the city to encourage all that is best in the community, and support staff and organisations who need it. We visit workplaces, building relationships based on mutual trust, listening, supporting and encouraging staff when they need it. We serve people of any background or faith. The service is confidential and free of charge to receiving organisations.

## Meet the teams...

### *The Retail Team*

Peter

Susan

Nigel

Angela

Liz

Wendy

Kate

Babs

### *The Courts Team*

Ann

Claire
