

You've Got

a Friend in Me

**POBODY'S
NERFECT**

What would happen if....

Your best friend shared your secret with somebody else?

What would happen if....

Your best friend left you
out of a game?

What would happen if....

Your best friend lied to you?

What would happen if....

Your best friend called you
an unkind name?

Be **kind** and
compassionate
to one another,
forgiving each other,
just as in **Christ God**
FORGAVE YOU.

Ephesians 4:32

Dear God,
Thank you for our friends.
For the fun we have together
and the good times.
We're sorry for the times
when we let each other down.
Please help us to forgive each
other
and to put things right
when we need to.
Amen.
